CAREER OBJECTIVE

I am a focused Computer Science & Engineering student at JNTU Kakinada, passionate about web development and building modern, user-friendly digital experiences. Currently strengthening my skills in the MERN stack, Data Structures & Algorithms, and full-stack application development while working on real-world projects that transform ideas into functional web solutions. Beyond academics, I am committed to continuous learning and open-source contribution, always looking for opportunities to refine my technical stack and collaborate on innovative software initiatives.
